

## Mr. Potato Head game board directions

Suggested directions for play:

1. Everyone starts with a potato.
2. Shake a dice and move that number of spaces.
3. Collect the item that matches the space you land on.
4. Continue playing until someone collects all the items (or decide how many items you need to win).

Speech practice:

1. See speech chart for target sounds.

Plurals:

1. Target plurals: eyes, ears, shoes, gloves/hands, teeth.

Following directions:

1. Add rules to the game - e.g., decide what happens when you land on an item you already have. If you land on an item you already have, then you have to...

Phonological awareness:

1. Listen and determine the first sound of the item you are collecting (e.g., shhhh = shoes, hhhhh = hat, nnnn = nose).
